### **Data protection:**

All participants agree by their registration that their name may be made public in the results list, that photographs - also of individual participants - may be published on the social media used by the organizer.

### **Liability:**

All participants declare with their registration that there is a liability insurance for them, which covers the risks of archery. Neither the organizer nor the city of Eisenbach or the property owners are liable for any damages.

The usual safety rules for the use of an archery course apply. The tournament course runs mostly on forest and meadow paths. Sturdy shoes, e.g. hiking boots or similar, are indispensable. Appropriate weatherproof clothing goes without saying for a tournament in the Black Forest.
